PROFESSIONAL EXPERIENCE

US Health Connect

Fort Washington, PA

Generative AI Intern, Data Operations Team

May 2025 - Present

- Built and deployed AI-powered tools, websites, and software in Cursor, n8n, and GitLab, streamlining workflows for internal teams and enhancing client healthcare education solutions.
- Led company-wide AI training sessions for audiences of 200+ employees, teaching practical applications of custom GPTs, AI agents, and low-code automation tools to increase productivity.
- Designed and implemented n8n AI agents to automate scheduling, email responses, and department-specific workflows, providing tailored AI solutions across all areas of the company.

Charkol Steakhouse

Freehold, NJ

Head Social Media Manager

April 2025 - Present

- Ran targeted Meta and Google ads, growing Instagram by 8,500 followers in five months and boosting weekend reservations by 22.5% YoY.
- Created and managed high-impact social content strategies, ensuring each campaign outperformed the last through innovative marketing approaches and data-driven optimization.
- Developed and maintained the restaurant website with SEO, API integrations, and ad-to-reservation tracking.

Aurum Events and Catering

Freehold, NJ

Schedule Manager, Server

Mar. 2020 - Aug. 2024

- Coordinate and manage shifts for a 20+ member team every weekend, fostering teamwork and ensuring smooth operations despite high turnover, demonstrating patience and strong leadership skills.
- Provide exceptional customer service by engaging with hundreds of new guests each weekend, maintaining a professional, friendly demeanor and ensuring high satisfaction in a fast-paced environment.
- Engaged in diverse tasks, including taking orders, bussing trays, and valeting cars when needed, showcasing flexibility, a strong work ethic, and a commitment to meeting guest needs.

EXTRACURRICULAR INVOLVEMENT

Ambassador at the Molinaroli College of Engineering and Computing

Columbia, SC

Associate Ambassador

Jan. 2025 - Present

- Selected to join a prestigious group of ambassadors representing 3,400 undergraduate students in the College of Engineering and Computing.
- Conduct weekly tours of the college and foster connections with prospective students, emphasizing the value of the engineering and computing journey.
- Deliver engaging presentations that showcase student success stories, innovative research, and the academic opportunities available at the university.

Alpha Kappa Psi, Beta Upsilon Chapter

Columbia, SC

Academic Chair

Oct. 2024 - Present

- Oversaw academic progression as the primary link to campus resources, supporting members' growth and success.
- Launched a tutoring program and weekly raffle system to reward academic achievement and encourage collaboration.
